Roomba®

Roomba® 105 Combo Robot

Tackle any and every mess—and leave the debris to us. The Roomba® 105 Combo Robot is made for every kind of wet and dry task, with 70X more suction*, 2x deeper scrubbing**, and improved navigation*. Whether you mop, vacuum, or both, Roomba® is your trusted companion in clean.

**As compared to Roomba® 600 series robots*
***With SmartScrub engaged, compared to the standard mop mode for IEC standards for coffee*

Your everyday cleaning companion.

- **Dirt and debris – gone:** 4-Stage Cleaning includes 70X more power-lifting suction*, a Multi-Surface bristle brush, and Edge-Sweeping brush to devour dirt and dust bunnies, plus a microfiber mop pad to leave floors shiny and clean.
- **Super-smart mapping and navigation:** ClearView™ LiDAR sleekly hidden inside the robot quickly maps your home, avoids obstacles and cleans in neat rows, even in the dark.
- **Get the right clean:** Choose from settings including vac only, mop only, or combo vac-mop, and rest easy as, unlike other robots, the Roomba® 205 DustCompactor™ Combo Robot won't mop rugs thanks to automatic carpet detection.

**Compared to Roomba® 600 series robots*

A partner in clean, on command.

- **Fully custom cleaning:** Schedule and target rooms based on your daily routine and adjust the number of cleaning passes, levels of suction power, and amount of mopping solution pumped onto the microfiber mopping pad.
- **A targeted clean:** Focus on specific rooms that need extra love, set to spot-clean crumbs, or skip a room if an activity is going on in there.
- **Easy-to-use Roomba® Home App:** Simply tap to set a custom clean, get time estimates, check on the filter life, or create keep-out zones to avoid specific areas.
- **Mopping convenience:** Leave floors beautifully cleaned thanks to the built-in mop with a micro-pump controlling water flow and keeping the mopping pad uniformly moist during cleaning. Use water or a compatible cleaning solution*, and choose SmartScrub for 2x deeper scrubbing**.
- **3 ways to control:** Pair with your preferred voice assistant*** for on-demand cleaning, simply tap the app, or press the robot's buttons.
