

### **Campus Overview**

- The campus opened in June 2010 and graduated its first class in June 2011.
- The 97,000-square-foot training facility is located in the Dallas/Fort Worth area.
- The school has the capacity to train up to 850 students.
- Universal Technical Institute (UTI-Dallas/Fort Worth) is on the 2016 Military Friendly Schools® list published by Victory Media in recognition of efforts to ensure the success of America's military service members, veterans and spouses as students.
- The key employers in the area that employ UTI graduates are ATC Freightliner, BMW of Dallas, Classic BMW, Dallas Area Rapid Transit (DART), Enterprise Rent-A-Car, Equipment Depot, Park Place Dealerships, Penske Truck Rental, Rush Truck Centers and Sewell Automotive Companies.
- There are approximately 60 employees at the campus.

### **Specialized Training**

- UTI-Dallas/Fort Worth provides the training necessary to excel as an entry-level automotive or diesel service technician.

### **Core Programs**

- Automotive – The program teaches students how to diagnose, maintain and repair domestic and foreign automobiles.
- Diesel – The program teaches students the basic knowledge and skills to diagnose malfunctions in mechanical and electrical systems, and make necessary repairs and replacements on diesel engines, commercial vehicles and heavy equipment.
- Automotive/Diesel – The program provides students with every Automotive and Diesel course, giving graduates the flexibility to qualify for positions in both industries.

### **Blended Curriculum Model**

- Universal Technical Institute is committed to providing students with the skills necessary to succeed in the global marketplace of the 21<sup>st</sup> century. UTI delivers a new blended learning curriculum that offers more convenience and training flexibility for its students. This new model features extensive hands-on experience

For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit our website at [www.uti.edu/disclosure](http://www.uti.edu/disclosure).

supported by classroom instruction and interactive online learning. It is the same approach used by many of the industry's top employers for training their own technicians.

**Manufacturer-Specific Advanced Training (MSAT)**

- Peterbilt Technician Institute (PTI) – The 12-week program provides exclusive classroom and hands-on experience with the complete lineup of Peterbilt trucks and PACCAR Engines. Students are sponsored by Peterbilt dealerships.

**Accreditation**

- UTI-Dallas is accredited by the Accrediting Commission of Career Schools and Colleges, which is recognized by the U.S. Department of Education.

**STEM**

- Universal Technical Institute has been designated a 2016 STEM Jobs Approved College by Victory Media, the leader in helping America's military veterans transition to civilian life. The designation includes Universal Technical Institute as well as its Motorcycle Mechanics Institute, Marine Mechanics Institute and NASCAR Technical Institute programs.
- Universal Technical Institute participates in the STEM Education Coalition, a nationwide initiative that reflects our commitment to ensure science, technology, engineering and math skills are interwoven throughout our curriculum.

**Community Champions**

- Students and staff hold food drives for the North Texas Food Bank and partner with Meals on Wheels to help provide meals to the homebound in Dallas County. They also roll up their sleeves to donate blood to Carter BloodCare.
