***Concurrently General Manager, Olympic and***  
***Paralympic Administrative Promotion Department***

Nobuyuki Tamura joined Bridgestone Corporation in April 1986. Today, he serves as Vice President and Officer, managing the company's corporate Olympic and Paralympic office, and overseeing the promotion of the company's Worldwide Olympic Partnership.

Before leading the Olympic and Paralympic office, Tamura spent time in the company's Public Relations Department, its Brand Management Department, and

its Original Equipment (OE) division, where he served as Director, Global OE Management in the Business Model Development Division.
