

Edward Morche

President, Strategic Enterprise and Government Markets

Ed Morche brings more than 25 years of experience to his role as CenturyLink's President of Strategic Enterprise and Government Markets, inclusive of large educational institutions and research networks. He is responsible for core network services revenue growth, EBITDA expansion and wireline enterprise investment.

Ed has successfully held senior leadership roles within the Product Management, Product Development, Business Development, Sales and Offer Management organizations at Level 3 Communications. He carries a unique practice among government segments.

Prior to joining Level 3, Ed held North America and global-oriented roles within Network Operations, Engineering, Access Management, Sales and Product Management at Sprint Corporation, Sprint International, Global One, Teleglobe and Igea Communications.

He serves on the Board of Directors for the Virginia Hospital Center.

Ed holds Bachelor's and Professional Degrees in Architecture from the Catholic University of America.
