HOTEL DEVELOPMENT AT HYATT

Hyatt's mission is to provide authentic hospitality by making a difference in the lives of those we touch every day — that is our definition of hospitality. We do this in an environment that respects all people and ideas. We do it in an efficient way that leads to superior results.

Hyatt's goal is not to be the biggest hospitality brand, but to become the most preferred brand among guests, associates and owners in each segment it serves. Forty-three hotels opened under various Hyatt brands worldwide in 2014.

Hyatt's hotel pipeline is larger than it has ever been, and as of September 30, 2015, it included executed management or franchise contracts for over 250 hotels across all brands in all of the regions in which Hyatt hotels operate. For more information, visit www.hyattdevelopment.com.
