

SunTrust Banks, Inc.

Our Commitment to Financial Well-Being

At SunTrust, we believe in building communities as we build our bank. We are committed to *Lighting the Way to Financial Well-Being* by serving business and client needs and supporting local organizations.

Lending and Investing

SunTrust Financing

- Originated and purchased \$24.4 billion in mortgages to help clients purchase, refinance or improve their homes, including \$274 million to veterans and more than 17,000 low-to moderate-income households.
- In fiscal year 2017, SunTrust funded more than \$270 million in Small Business Administration loans.
- \$3.8 billion in loans and investments supporting affordable housing, economic development and job growth, community services and the revitalization and stabilization of targeted areas in our communities.

Purchasing Goods and Services

SunTrust purchased:

- \$2.4 billion in goods and services from businesses operating in the United States
- \$57.4 million in goods and services from businesses owned by minorities
- \$61 million in goods and services from businesses owned by women

Strengthening Communities

Charitable Giving

The SunTrust Foundation donated \$16.9 million to various organizations, educational institutions and nonprofits. SunTrust teammates gave \$6.7 million during its annual United Way campaign, the most in SunTrust history.

Volunteerism

Teammates provided more than 221,000 hours of volunteer time, and worked with more than 2,800 nonprofit organizations to complete more than 38,300 community service activities.

SunTrust provides all full-time teammates 8 hours of paid volunteer leave each year.
