Quick Quotes

Q. How did you do today?

YOUNGIN CHUN: Well, I did not really good in the morning but really good this afternoon. Well, in this morning's match, it was like really, really hard because I won like the last hole. Yeah, but when I turned the ninth hole and I was 2-down, I told myself, I'm losing this match, okay, we're going home. And then my mom said, no, you can do it, you can do it, and then I made 1-down, square, and then 1-down and then square and then up, so I win this morning's match.

Q. That was this morning; this afternoon what was the difference?

YOUNGIN CHUN: I actually won by 8 up.

Q. You won 8 up?

YOUNGIN CHUN: Yes.

Q. What were you doing, just rolling in a ton of birdies?

YOUNGIN CHUN: Yeah, and then my partner wasn't that really good, kind of --

Q. She struggled?

YOUNGIN CHUN: Yeah. And I think I played really good, just put it in the fairway, put it on the green. Sometimes I make a birdie, sometimes I make a par. It wasn't that hard.

Q. So you feel good about the way you played today?

YOUNGIN CHUN: Yes, so I just practice for tomorrow. My caddie, when we turned 11th, I was 7 up, and then he said just like, okay, let's go, let me go home, and then I won No. 12 -- 11 by 8 up, so okay, let's go home. And he said, that's what I'm talking about.

Q. Sometimes when you get a big lead like that, though, it's easy to get relaxed; know what I mean? How do you keep focused to finish this thing out?

YOUNGIN CHUN: Well, I really like match play because just one time I lose when I played like the whole match, because even if you lose one hole, it's just one hole, and it's gone. When I lead a lot, just stay under par, don't make a mistake. But it's a little bit hard to like stay under par, but I really enjoyed this afternoon but it's nice weather, not that hot, nice breeze. So I just

enjoyed this round.

Q. What do you have to do to keep going in this tournament? What do you have to do tomorrow?

YOUNGIN CHUN: Well, actually my best finish for this tournament is just make the cut when I was 13. That was my best finish. And then, well, I really like USGA things. This is a big tournament. I really like this tournament, but I'm really, really happy right now for make a lot of match. So I just want to stay positive for tomorrow.
