Medical Advice Disclaimer

Varian as a medical device manufacturer cannot and does not recommend specific treatment or reimbursement approaches. Individual treatment results may vary.

Intended Use Summary

Varian Medical Systems' linear accelerators are intended to provide stereotactic radiosurgery and precision radiotherapy for lesions, tumors, and conditions anywhere in the body where radiation treatment is indicated.

Safety Statement

Varian Medical Systems' linear accelerators are intended to provide stereotactic radiosurgery and precision radiotherapy for lesions, tumors, and conditions anywhere in the body where radiation treatment is indicated.

Not all products or features are available for sale in all markets.

This bibliography is a comprehensive selection of articles but is not necessarily an exhaustive list of literature pertaining to HyperArc High Definition Radiotherapy.
