 - Automotive/Diesel & EV Technology + Ford FACT
- UTI Sacramento awards a diploma in:
 - Diesel Technology
 - HVACR Technician
 - Welding Technology
- UTI-Sacramento has more than 50 employees.

Core Programs

The Automotive & EV Technology program teaches students how to diagnose, maintain and repair domestic and foreign automobiles.

The Diesel Technology program teaches students the basic knowledge and skills to diagnose malfunctions in mechanical and electrical systems, and make necessary repairs and replacements on diesel engines, commercial vehicles and heavy equipment.

The Automotive/Diesel & EV Technology combined program provides students with every automotive and diesel course, giving graduates the flexibility to qualify for positions in both industries.

The Welding Technology program gives the hands-on training needed to prepare for a flexible career in the industries from automotive fabrication to aerospace.

The HVACR Technician program is a 9-month program that provides students with the knowledge and skills necessary to install, troubleshoot, maintain, and repair both residential and commercial systems.

Specialized Training

The campus specializes in providing the training necessary to pursue a career as an entry-level automotive and diesel technician.

Manufacturer-Specific Advanced Training (MSAT)¹

Ford Accelerated Credential Training (FACT) – The 15-week FACT intensive training program uses Ford Motor Company curriculum, vehicles, components, and diagnostic equipment. Graduates earn up to 12 Ford STST classroom course credentials, the required eLearning credentials toward achieving 13 Ford specialty certification areas, and Ford Quick Lane Technician certifications.

¹ Following the completion of the relevant core diesel or auto program.

Accreditation

- UTI-Sacramento is accredited by the Accrediting Commission of Career Schools and Colleges, which is recognized by the U.S. Department of Education.
- Approval to operate an Accredited Institution by BPPE (Bureau for Private Postsecondary Education) a Department of Consumer Affairs in the State of California.

STEM

Universal Technical Institute participates in the STEM Education Coalition, a nationwide initiative that reflects our commitment to ensure science, technology, engineering and math skills are interwoven throughout our curriculum.

Community Champions
