Roomba® 105 Vac

Roomba® 105 Vac Robot delivers reliable cleaning with 70x more suction power*. ClearView™ LiDAR quickly maps and provides for maximum coverage, and the app makes a custom clean possible. From the innovation experts in robot vacuum cleaners, Roomba® is your trusted companion in clean.

**As compared to Roomba® 600 series robots*

Your everyday cleaning companion.

- **Dirt and debris – gone:** 3-Stage Cleaning includes 70X more power-lifting suction*, a Multi-Surface bristle brush, and Edge-Sweeping brush to devour dirt and dust bunnies and leave floors barefoot clean.
- **Super-smart mapping and navigation:** ClearView™ LiDAR sleekly hidden inside the robot quickly maps your home, avoids obstacles and cleans in neat rows, even in the dark.
- **Fully custom cleaning:** Schedule and target rooms based on your daily routine and adjust the number of cleaning passes and levels of suction power.

**As compared to Roomba® 600 series robots*

Hands-free and easy cleaning.

- **A targeted clean:** Focus on specific rooms that need extra love or skip a room if an activity is going on in there.
- **Easy-to-use Roomba® Home App:** Simply tap to set a custom clean, get time estimates, check on the filter life, or create keep-out zones to avoid specific areas.
- **Extra dirt? Spot cleaning is on it:** Easily target the places where your floors need extra attention. With spot cleaning, your robot repeatedly cleans in one area for up to 5 minutes.
- **3 ways to control:** Pair with your preferred voice assistant* for on-demand cleaning, simply tap the app, or press the robot's buttons.
- **Recharges and resumes the cleaning task:** Sends itself for a recharge when needed and picks up cleaning where it left off. The ultimate in cleaning efficiency.
