ROSELAND, NJ -- (Marketwired) -- 03/02/17 -- The World HRD Congress, a leading HR event for businesses in Asia, has honored ADP's payroll solutions with two of its annual Human Resources Vendors awards: 'Best Payroll Outsourcing Partner' and 'Best Payroll Software'.

The vendors nominated were evaluated by the World HRD Congress' academic council and executive council, which includes senior leaders from the HR industry. Nominees were then graded on an overall scale to eliminate extreme scores and "normalize" results.

"We evaluated 208 HR technology vendors for various award categories this year and ADP stood out as the clear industry leader in providing payroll services to businesses in India both in an outsourcing model and with its cloud-based solutions," said Dr. R.L. Bhatia, founder of the World HRD Congress and World CSR Day.

"We are honored that our global payroll expertise has been recognized with these two awards from such a prestigious organization," said Charles Ferguson, president of ADP's Asia Pacific business. "ADP strives to deliver superior value to our clients, and we're pleased that our innovative SaaS products and global expertise are adding value to businesses in the region."

The awards ceremony was part of the 25<sup>th</sup> annual World HRD Congress event, where leaders from 13 countries convened to gain insights into such areas as strategic HR, training and development, learning, coaching, leadership, story-telling, organizational development, diversity and inclusion, design thinking and HR technology.
