

## Cardinal Health Issues Product Recall for Jiangsu Shenli Syringes Contained within Merit Medical® Kits

### *Impacted Merit Medical® kits are included within specific Cardinal Health Presource kits*

In line with the FDA’s communication, “FDA Provides Update on Plastic Syringes Made in China, Issues Warning Letters Related to Violative Products,” Cardinal Health evaluated the use of Jiangsu Shenli Medical Production Co. Ltd (Shenli) syringes in Merit Medical® finished kits included as components in Cardinal Health Presource kits. In its communication, FDA states that Shenli syringes lack sufficient FDA clearance and cannot be distributed for use.

As a result, on May 28, 2024, Cardinal Health issued a voluntary product recall to Presource kits containing Shenli syringes. Customers who received the listed lots were instructed to:

1. QUARANTINE affected kits & ALERT their clinicians of this action.
2. AFFIX a WARNING LABEL to the front of each Presource kit so that it is clearly visible to clinicians, instructing them to remove and discard all syringes within the affected Merit Medical® kit in the Presource® product.
3. RETURN a copy of the enclosed Acknowledgment Form confirming their receipt of this action and the completion of labeling product via fax to 614.652.9648.

Once the Shenli syringes have been removed and discarded per instructions above, the remaining Merit Medical® kit components remain suitable for use.

Due to the recent Merit Medical® voluntary recall pertaining to Shenli syringes, Cardinal Health assessed the impact to Presource kits and has expanded the list of impacted products below.

Our goal, always, is to provide safe, high-quality products, and we apologize for any frustration this issue has caused.

If customers have additional questions related to this recall, please reach out to:

- Hospitals—Cardinal Customer Service at **866.551.0533**
- Distributors—Distributor Management at **800.635.6021**
- Federal Government facilities—Government Customer Service at **800.444.1166**
