

# CONCOURSE A EXPANSION - PHASE II

## FACT SHEET

### PROJECT DESCRIPTION:

The expansion plans for the construction of 10 gates north of Concourse A to accommodate expanding air service.

### AIRLINES THAT WILL USE EXPANSION:

Delta Air Lines and three city shared flexible gates

### NUMBER OF GATES:

10 (Gates A31- A40)

### FOOD AND BEVERAGE:

Two open bar concepts and one restaurant.

### RETAIL:

One retail store

### ARTWORK:

In partnership with: Arts & Science Council

Artists: Benjamin Ball and Val Britton

Title: TBD

Two art concepts are in development. Benjamin Ball will create an art piece suspended under the skylights in the center of the concourse. Val Britton will showcase her artwork on the 30' x 19' west facing mezzanine wall overlooking seven gates on the upper level.

### NOTABLE INFORMATION:

This construction will be on land that was the former rental car site, which was razed on Feb. 29, 2016.

The expansion adds approximately 200,000 square feet to the 1.8 million-square-foot terminal. The windows are View Glass (auto-tinting), and the gate seats have integrated charging capability. A Wright brothers exhibit will be integrated into the terrazzo floor displaying the lengths of each flight attempt before the famous Kitty Hawk flight, spanning from Concourse A Expansion Phase I to Concourse A Expansion Phase II.

### COST:

\$231 Million

### FUNDING:

North Carolina Airport Improvement Program state grant, Passenger Facility Charge bonds and non-Passenger Facility Charge bonds

### CONSTRUCTION START:

May 10, 2022

### OPENING DATE:

Fall 2024

### SQUARE FOOTAGE:

191,848 square feet

### DESIGNERS:

C Design and Perkins+Will

### CONTRACTOR:

JE Dunn - McFarland Joint Venture
