# Vifor Pharma acquires Priority Review Voucher

**St Gallen, 17 February 2020** – Vifor Pharma today announced that it has agreed to purchase a US Food and Drug Administration (FDA) priority review voucher (PRV).

A PRV entitles the holder to obtain priority review for a New Drug Application or Biologics License Application thereby reducing the target review time and potentially leading to a faster approval.

The transaction is subject to customary closing conditions, including clearance under the Hart-Scott Rodino (HSR) Antitrust Improvements Act.
