Secretary General
United Nations
New York, NY 10017

Dear Mr. Secretary General:

I am writing to express Kellogg Company's continued commitment to supporting the Ten Principles of the United Nations Global Compact. Kellogg will continue to advance its commitment as part of our Kellogg's™ Better Days Promise ESG Strategy. In addition to submitting this letter, we will make a clear statement available to our stakeholders and the public in the [Human Rights](#) and [Reporting](#) sections of our company website.

Kellogg supports the Global Compact through engagement in collaborative projects that advance the Sustainable Development Goals. Details regarding our practical actions on human rights, labor, environment, and anti-corruption are posted [online](#). We are [committed to operating ethically](#) and will continue to measure our progress against our goals using the Global Reporting Initiative (GRI) Standards and report on this progress annually.

Sincerely,

A handwritten signature in black ink that reads "Steve".
