

KIDS CONNECT OVER SCHOOL BREAKFAST

In addition to physical wellbeing, there are even more benefits of school breakfast programs¹

These programs can...

Build
a sense of
belonging
in students

Enable
positive
relationships
between
students,
teachers &
staff

Create
positive
impacts on
the wider
community

Improve
classroom
behavior

Increase
awareness of
other's needs

Kellogg's
Better Days 

*We are committed to creating better days
for 3 billion people by the end of 2030.*

[We do this in many ways, including partnering
with World Food Program USA and sponsoring
school breakfast programs around the world.]

Since 2015, we've reached nearly

3.7 MILLION CHILDREN

WORLDWIDE THROUGH EXPANDED FEEDING
PROGRAMS, INCLUDING SCHOOL BREAKFASTS.

To help Kellogg & World Food Program USA feed more
children through school breakfast programs, please consider
