Choose your ideal cabin configuration with seating for up to eight, executive 2nd-row captain's chairs, or new two-row 5-passenger variants with one-touch auto-down seats

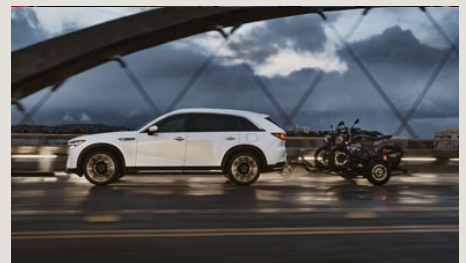

Enjoy smooth, composed driving dynamics powered by the 3.3L Turbo I6 or PHEV, enhanced with a revised rear suspension for improved ride comfort over rough pavement

Stay effortlessly connected with standard Alexa Built-In, Mazda Online Navigation with OTA updates and wireless Apple CarPlay™ and Android Auto™ on a 12.3" display

Pack gear with ease thanks to up to 75.2 cu. ft. of maximum cargo space, hands-free power liftgate and up to 5,000 lbs. max towing capacity with Mi-Drive Towing mode

Experience responsive electrified driving with the e-Skyactiv PHEV offering up to 26 miles of all-electric range and external motor insulation for quieter low-speed operation

- For the third consecutive year, Mazda has debuted with more IIHS *TOP SAFETY PICK+* awards than any other brand. The CX-90 and CX-90 PHEV both hold IIHS *TOP SAFETY PICK+* ratings and a 5-Star Overall Safety Rating from NHTSA.
- Mazda was named Consumer Reports' first-ever Safest New-Car Brand in its [Safety Verdict](#) (Consumer Reports does not endorse products or services) – reinforcing its longstanding commitment to vehicle safety across the entire lineup.
- Mazda is committed to its long-term vision of zero fatalities involving Mazda vehicles by 2040 through continued investment in advanced safety technologies and vehicle design.
- Includes 10 standard airbags – front, front knee, front side, front curtain and rear side impact – providing comprehensive occupant protection that exceeds many competitors in the segment.
- Built for crash protection, the CX-90 features a rigid safety cage structure, advanced airbag system including front knee and side-curtain airbags, and whiplash-reducing front headrests.
- Child safety features include standard LATCH anchors and third row car seat access, designed around how families actually use the vehicle.
- Mazda makes four key advanced safety technologies standard across its lineup – from the MX-5 Miata to the CX-90 – because proven safety should not depend on trim level or price point.
