

Well Beyond Medicine

Our comprehensive model of health is designed to help each child achieve their full potential. Throughout Florida, we offer family-focused pediatric primary, urgent and specialty care, conduct groundbreaking research to improve treatment, and provide advocacy and resources to support the health of children beyond our walls in schools and neighborhoods. One of the largest integrated children's health systems in the U.S., Nemours Children's Health is committed to being a leader in the overall health and welfare of our nation's children — today and for generations to come.
