Petco has been part of pets and pet parents' lives since 1965 when founder Walter Evans opened a mail-order veterinary supplies business in La Mesa, CA in San Diego County.

Over the last 50 years, Petco has become the trusted source for high quality, premium pet products and services in local neighborhoods across the U.S.

We provide the products, services, advice and experiences that keep pets physically fit, mentally alert, socially engaged and emotionally happy. Everything we do is guided by our vision for Healthier Pets. Happier People. Better World.

We operate more than 1,500 Petco and Unleashed by Petco locations across the U.S., Mexico and Puerto Rico; complete pet care services and veterinary advice through PetCoach; and petco.com.

The Petco Foundation, an independent nonprofit organization, has served as a voice for companion animals across the country since 1999. Each year, the Petco Foundation helps animal-welfare organizations find lifelong, loving homes for millions of orphaned pets, as well as fund spay and neuter efforts, animal-assisted therapy programs and human education. Today, the Foundation has invested more than \$230 million since inception to improve the welfare of companion animals across the nation.
