

State Agency COVID-19 Response Plugin Instructions

The **State Agency COVID-19 Response Plugin** was created to provide anglers and boaters the latest State Agency COVID-19 Response and Updates in their area. This handy tool offers easy access to each state's Fish and Wildlife and/or Department of Natural Resources website or official website with COVID-19 updates. Users can either click the desired state on the map or select it from the drop-down menu to be taken directly to the state site. The plugin also allows for easy toggling between fishing and boating links. RBFF will be updating this map regularly to ensure links are live and accurate.

ADD TO YOUR WEBSITE

To feature this plugin on your own website, please copy and paste the following embed code into your webpage:

To display with latest updates for Fishing related activities as default:

```
<iframe frameborder="0"
src="https://www.takemefishing.org/tmf/assets/banners/covidstatesystem/covidstatesystem.h
tml?lang=en&pageType=license" target="_blank" scrolling="no" bgcolor="#C9D3DE"
style="position: relative; width: 100%; height: 800px; overflow: hidden;"></iframe>
```

To display with latest updates for Boating related activities as default:

```
<iframe frameborder="0"
src="https://www.takemefishing.org/tmf/assets/banners/covidstatesystem/covidstatesystem.h
tml?lang=en&pageType=register" target="_blank" scrolling="no" bgcolor="#C9D3DE"
style="position: relative; width: 100%; height: 800px; overflow: hidden;"></iframe>
```

The height and width of the tool can be changed if desired by adjusting the highlighted values above.

Please Note that the plugin is responsive, so its size will automatically conform to the size of the device being used to view the plugin (desktop, tablet, mobile). Pixel width must be greater than 600px for the clickable map to appear (desktop only). Otherwise, just a state selection drop-down option will be visible. See examples on the next page.
