

EARTH DAY *every day*

Your everyday habits add up to a big impact on the environment.
Did you know...?

About 95% of an LED light bulb is recyclable.¹

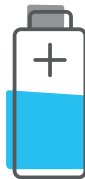

Recycling 1 aluminum can saves enough energy to run a TV for 2 hours.²

Americans each use about 7 trees' worth of paper products every year, 2 trillion collectively.³

Republic Services recycled about 1.27M pounds of electronic waste in 2018.

Republic Services has recycled more than 1M pounds of batteries, light bulbs and ballast since 2016.

One-third of an average landfill is made up of packaging material.⁴
