## Bernd Wiesberger

### Quick Quotes

**Q. You put yourself in good position. Obviously Justin is out there playing some other kind of game. You like the way you played today?**

BERND WIESBERGER: Yeah, even though I had a slow start early on and missed a couple of shots, but stayed calm. Started hitting good shots from 8 onwards, I hit a couple of really nice shots, and gave myself a couple of good chances and mostly I'm quite happy with taking 4-under on the back nine to get into the 60s.

**Q. To be in contention, this is the first time you've done it, you made it into the weekend. You're not just here, you're contending.**

BERND WIESBERGER: Yeah, it was big for goal for me to finally break that -- to slay the demon in a way. My fourth U.S. Open and finally made it to the weekend.

So played decent the last couple of months. I thought I was in good form coming here, even though I had a bit of a disappointing weekend last week in Austria. But doing good things, and trying to keep up for another good one tomorrow.
