Amy Yang

Quick Quotes

Q. First of all, talk about your week as a whole. Your play this week and the course overall and your play?

AMY YANG: Like overall this week, I played pretty good all week. Today was a little tough. Just a little bit of mistakes here and there. I didn't make many birdies out there.

I had fun this week. It was good.

Q. What about the golf course. Did it change a lot after the rain? Was today firmer than yesterday?

AMY YANG: Maybe dried a little bit, but it was still pretty soft out there with the rain.
