The Walker Cup - Course Set Up Notes - Saturday Singles

THE WALKER CUP
ROYAL LIVERPOOL 2019

Tees, Fairways and Rough

Tees cut at 8mm. Fairways cut at 9mm. Tees and fairways are predominantly a mix of bent and fescue with some meadow grass.

First cut rough (approximate width 3 yards) cut at 38mm; second cut rough cut at 100mm in late July and allowed to grow to seed. Uncut rough beyond.

Greens

The greens are predominantly a bent and fescue mix with some meadow grass. For Saturday's play we single cut at 3.5mm. The greens averaged 10 feet 1 inch after early morning stimp readings. The firmness is 117 gravities.

Approaches/Surrounds

Approaches/surrounds cut at 7.5mm.

Additional Information

Royal Liverpool Course Manager - Craig Gilholm. For The Walker Cup, the total greenstaff is 24. This includes some volunteers from other Clubs. The course has 79 bunkers.
