Q. The last four-ball game for Team USA. Rose, how do you feel you managed to secure the victory in the end?

ROSE ZHANG: Yeah, it feels great. We really came in clutch coming into the last few holes, 15 and 16 was just, it was some really clutch birdies and it just worked out well in the end. We had the momentum and the last hole we were able to stay composed and at least try to get a good par in.

Q. Allisen, do you feel you complemented each other out there?

ALLISEN CORPUZ: Yeah, definitely. I mean, Rose is a hard player to not play well with, all she does is hit it straight I feel like. So really just trying to help keep her in the right mindset and like she said, just, we just never really got down, even when we were 2-down, just kind of told ourselves like we're going to have opportunities coming in.

Q. You mentioned 2-down, how do you feel you managed to bring that back and overturn it?

ALLISEN CORPUZ: Rose just hit these incredible approach shots. One to like, what like two feet on that par 4.

ROSE ZHANG: 15.

ALLISEN CORPUZ: 15 was really nice. Nice putt on 16. So, yeah, I mean it was nice.

Q. Rose, looking ahead to tomorrow, what do you feel -- could have been a few -- scoring could have went a bit better for you today, but how do you feel you can perhaps put that right tomorrow?

ROSE ZHANG: Yeah, every day golf is a new, it's a new day in golf. The Team USA always has high hopes and we always have really good team spirit, so coming into tomorrow everyone's going to try to work hard to play even better and we'll make a good come back tomorrow.
