### Quick Quotes

**Q. Hell of a run; kind of sum up the week. I know it didn't end with the gold medal but you guys got some hardware and got to be co-medalists and played really well I guess up until today.**

CARTER LOFLIN: I mean, yeah, today we kind of came out flat. It was just really kind of odd. I don't know.

WELLS WILLIAMS: Yeah, it was different. We came out, and we really -- I don't know, I'd say throughout the whole day between the both of us, we probably hit four fairways for 12 holes. I mean, that doesn't help, especially when they grew out the rough so much for the last few days. Yeah, I mean, there's --

CARTER LOFLIN: We made it very difficult.

WELLS WILLIAMS: There's not much to say other than we played really good up until now, and today was just like --

**Q. It's golf, right?**

WELLS WILLIAMS: It's obviously not what we wanted, but it happened, so whatever.

CARTER LOFLIN: It is what it is.

**Q. What do you take away from a week like this? You guys are both going to be in college in the fall, playing some big-time golf. What did you find out about yourselves this week that you didn't know?**

CARTER LOFLIN: I know for me it's a cool one to start off with because this early in the summer you don't normally get to put yourself in any super high-pressure situations. I mean, what I'm taking away from it is I kind of got my feet wet with some shots under pressure and competition golf, and we didn't really give ourselves any time to settle in, we were just kind of throwing ourselves into the thick of it.

I mean, I guess the main takeaway is that still can hit shots

under pressure like I have in the past and still make some putts when I need to. A lot more positives than negatives for sure.

**Q. What's next for you guys?**

WELLS WILLIAMS: I have, I think, Dogwood.

CARTER LOFLIN: Yeah, I've got the team TaylorMade at Sugar Hills and then I'm playing in the Dogwood.

**Q. That's at Druid Hills?**

WELLS WILLIAMS: I think I have Dogwood and then sometime the next few weeks, what is it right now, it's May -- no, that's not --

**Q. You've got the Junior in July obviously?**

WELLS WILLIAMS: I have a U.S. Am qualifier sometime June or July. But looking forward we have a lot of tournaments, and this is a great way to start off the year. It's pretty positive, and I think looking forward we'll play some good golf this year.
