

TUESDAY, AUGUST 2, 2022 – 6 AM WEATHER FORECAST

Mostly cloudy skies are on tap for the majority of the day, but we enjoy a vast improvement from yesterday's cool rainy weather. A slight chance of a sprinkle exists this afternoon, but expect an otherwise dry day in the lower 60s. Wind speeds remain under 12 mph from the south, turning to the west as nightfall approaches. After a crisp night in the lower 50s, Wednesday is shaping up to be a beautiful, sunshine-filled day. Temps over 70 degrees will allow a northwest wind to develop Wednesday afternoon, gusting to 15 mph in exposed areas. This harmless weather should continue through the first half of Thursday, answering everyone's fair-weather prayers. Enjoy!
