

TUESDAY, SEPTEMBER 13, 2022 – 6 AM WEATHER FORECAST

Skies start clearing this morning, unveiling an exquisite afternoon. Some northwest wind gusts approach 18 mph this afternoon, but temps still make it to the mid 70s. The only threat to our weather in the foreseeable future is fog formation early Wednesday morning. Finding ourselves in a dense pocket would not be surprising, and burn-off could take until 9AM. Otherwise, partly cloudy conditions prevail on Wednesday with a cool east wind off of Lake Michigan. Bask in the merciful conditions this afternoon, and look forward to repeated pleasant afternoons!
