

THURSDAY, SEPTEMBER 15, 2022 – 2 PM WEATHER FORECAST

We don't have blue skies, but it is still mostly sunny out. Southern wind up to 20 mph will die off this evening, leaving a calm night in the upper 50s. Tomorrow will see a similar mix of high clouds filtering the sunlight, with temps expected to warm deep into the upper 70s and southwest winds up to 18 - 20 mph once again. All eyes are on Friday night and Saturday for the potential of precipitation. Pre-dawn showers/thundershowers appear likely on Friday night, while a lull draws the curtains back for golf between 8 AM and 1 PM. As Saturday night approaches, thunderstorm chances go up by the hour.
