

### FRIDAY, SEPTEMBER 16, 2022 – 6 AM WEATHER FORECAST

Another sunny day with high clouds passing by. Temperatures should hit 80 degrees this afternoon with a noticeable southwest breeze up to 18 mph. Rain chances are absent throughout the day, but tonight a weak piece of energy could create some showers before sunrise. A golden opportunity to finish the tournament exists tomorrow morning into the early afternoon, before increasing chances of thunderstorms come into play towards Saturday night. You may feel an increase in humidity in the next few days ahead of the inevitable precipitation deeper into the weekend.
