## Blakesly Brock

### Quote Quotes

**Q. Well, your back is against the wall. Tell me a little bit about that shot on 18. She was in there close and you had to respond.**

BLAKESLY BROCK: Yeah, I knew I had to hit it in there close because she was close, and that was my only option. I really just took dead aim and just kind of left it all out there. Hit a good one and was able to knock that putt in.

**Q. How about the putt? Caddie give you a good read?**

BLAKESLY BROCK: He gave me a great read. There's a lot of little subtle breaks out here, and that was one where we just decided on a dead straight line and hit it dead straight and went dead in the middle.

**Q. The second playoff hole you kind of just shut the door there, really good iron shot. What did you have in? Were you feeling good over the ball?**

BLAKESLY BROCK: Yeah, I think there was a little bit of adrenaline off the tee. That was the best tee shot I've hit all week. I had 113 in and hit a little 48-degree wedge to about two feet, so I was able to get it done.

**Q. Do you have a lot of experience -- I hadn't looked back last year. Were you in any extra holes last year?**

BLAKESLY BROCK: I had. I had three back-to-back extra-hole matches. This one was a little bit different because I was down and had to come back. Last year I was up in all those matches and kind of let it slide towards the end but was able to pull those out. I think that experience from last year definitely helped me get it done this morning.

**Q. How do you deal with the weather delay? How are you going to go back out there and try and pick up where you left off?**

BLAKESLY BROCK: Just stay loose. I do a lot of home where I kind of don't warm up before I go play just for

situations like this, so I know I'm used to it and I can just come out there swinging. I trust my swing. I know where it is and what I need to do. It won't affect me too much.
