Q. Just talk a bit about the match. You got off to a pretty quick start. You were 2-up. Take us through the back nine. Obviously down the stretch it was really tight there.

JACQUELINE SETAS: Yeah, I would say it was pretty tight. I just think really just the weather down here and the heat especially, just trying to stay hydrated and keeping your body temperature as low as possible is tough. I would say that's probably one of the biggest factors coming down the stretch, as well.

Definitely happy with my performance. Better than last year. I mean, not super happy with it, but definitely better than last year. That's for sure.

Q. Tough turnaround at all? You came right off the course in the morning after finishing the round of 16. I think it was like a 25-minute break. It's a lot of golf to play over two days.

JACQUELINE SETAS: Yeah, it's a lot of golf to play in two days, but we've been kind of used to it. We've been doing it for what, the last three days. I was okay with that.

Q. Tell us about that putt there on 19. That one almost dropped.

JACQUELINE SETAS: Yeah, I wish that thing would have dropped. But that thing was probably 10 feet out right, and it was downgrain, so I was just trying to let the green work it back to the hole. It almost went in. It was probably the best effort I could have done. I was happy with the putt.
