

### FRIDAY, AUGUST 11, 2023 – 8 AM WEATHER FORECAST

This morning we have fog and mist around the course but all of this will dissipate and we will be mostly cloudy for the rest of the morning, and we will be clearing out more and more throughout the day. We will reach a high in the low to mid 70s this afternoon with winds again coming from the south with gusts up to the mid teens possible. Tomorrow we look to have more of the same with a chance of fog in the early morning then clearing out to mostly sunny and nothing but sun in the afternoon. Highs look to get into the upper 70s and winds out of the south at 4 - 8 mph gusting up to the mid teens. Sunday looks to be a great final day. We do have a slight chance of fog again in the morning but we will have very sunny skies for the majority of the day with highs in the upper 70s and winds from the south at 4 - 8 mph gusting into the teens.
