**Steve Harwell,
Mooreville, N.C**

**1-over 73 (second round, stroke play)
1-over 145 (36-hole total)**

Q. Talk about how challenging Martis Camp has been for stroke play?

Harwell: "It's a beautiful place. It's long and you've got to hit a lot of really good shots. Fortunately, I've been hitting it good. I haven't had to experience a lot of the trouble on the outside. I played really solid the last two days. I had three 3-putts today."

Q. Any different strategy for match play?

Harwell: "I take the mindset that I've got to do what I've got to do. Keep swinging and whatever my keys are, just keep hitting shots. In match play, you might change your strategy here and there, but I am just going to try and play my game. It's been working."

Q. Does your game suit this golf course?

Harwell: "It's pretty long and I'm not that long of a hitter. But it's been good. Honestly, I've been hitting it good and not putting myself in a lot of difficult positions."
