Set-up Information – Round 3

Putting Green Speed – the average speed this morning was in the low 12’s on the USGA stimpmeter. All greens were double cut and rolled this morning except No. 3 and No. 9 which were rolled last night and single cut this morning.

Water Management – greens were not watered again this morning due to the moisture retained in them by the .52 inches of rain that we received on Thursday morning. Some corrective watering on collars and approaches however was done.
