Additional Notes

- Newton is an old railroad town and the course has a railroad theme and railroad tracks split the front and back nines.
- The 16th green is modeled from the famed road hole at St. Andrews.
- Some bunker edges were lowered to accommodate seated players.
- Course is a Certified Audubon Sanctuary and has added natural areas, bird houses, buffer strips along water, etc...
- Wildlife on course include deer, turkey, bald eagle, raccoon and rabbit.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 20,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
