[Blades Brown]

[2-under 68]

(on his stroke play success)

[BLADES BROWN]: “It gives me so much momentum and fuel and confidence. But in match play anything can happen. I’m looking forward to it.”

(thoughts on the South Course)

[BLADES BROWN]: “It’s definitely a little more challenging than the North. It was a lot of fun out there to battle today. I like courses that test my game.”
