Oakland Hills Country Club, South Course

[Chase Kyes]
[4-under 66]

(on his round today)

[CHASE KYES]: “I hit a lot of fairways. That was really the key.”

(how his caddie Jeff Curl has helped him)

[CHASE KYES]: “Me and Jeff and fantastic. He plays out of Greystone [Golf & Country Club]. We have a great group of guys out at Greystone, and we play every day. He’s great. He gives me great numbers and great reads. He keeps my head in it which is pretty much the biggest part.”

(on playing in front of the large crowds)

[CHASE KYES]: “The first three holes yesterday I was pretty nervous. I’ve never played in front of a crowd like that before. Once that fourth hole hit, Jeff gave me some good advice.”

“The crowd was close to the same today as it was yesterday. Once the rain came, a few people left, but it was a great experience. Good for the future.”
