

U.S. Junior Amateur

Tuesday, July 23, 2024
Oakland Hills Country Club, South Course
Bloomfield Hills, Mich.

[Sean Keeling]
[2-under 68]

(on his round today)

[SEAN KEELING]: “I played great tee to green. I just hit a lot of fairways and greens. Kind of what you have to do out here. Keep it out of the rough.”

“I kept the doubles off the card for two days which was one of my goals going into stroke play, so I’m happy with how I’ve played going into match play.”

(on his match play experience)

[SEAN KEELING]: “In match play, you can sometimes get caught up in trying to play the man. I’m just going to try and focus on my game, play the golf course, and try to go deep.”

(on what he learned from playing in the Junior Ryder Cup)

[SEAN KEELING]: “I learned to embrace the pressure and enjoy having people watch you. I enjoy being under the gun and I’m just going to have fun the next few days.”
