[Tyler Watts]

[Even-par 70]

(on his round today)

[TYLER WATTS]: “It was definitely a grind. Had to get up and down more often than I would have liked to and make a lot of pars. I did that. Unfortunately, I didn’t get medalist but it doesn’t matter at the end of the day, I guess.”

(if he was thinking about medalist)

[TYLER WATTS]: “I definitely was. My Dad told me I was tied for the lead, so I knew I needed to make one more birdie coming in. I wasn’t able to get myself any birdies looks though, and just had to grind it out coming in.”

(thoughts going into match play)

[TYLER WATTS]: “I love match play, I think it’s a lot of fun. It’s 18 one-hole matches. You’re going to lose holes, even if it’s a double or triple, you just have to take that and move on. Match play is really a putting competition. I love putting.”
