**Tyler Mawhinney,**  
**Fleming Island, Fla.**  
3-under 67 (second round, stroke play)

**Q. Safely through into match play. Any learnings at Hazeltine yesterday that you're going to utilize the rest of the week?**

Mawhinney: Yeah, I mean, you just have to hit the fairway out there. Not really a learning, pretty obvious. But pars a good score out there. If you just hit some fairways, hit some greens, get some putts to drop – if you get beat, you get beat. That's just how it goes.

**Q. Anything in particular working for you out there yesterday?**

Mawhinney: My iron play. I hit a lot of greens out there, and yeah, had a lot of pars. Just avoided the big numbers.

**Q. Can you talk about your experience with the U.S. National Junior Team and how it's helped you this summer and coming into this week?**

Mawhinney: Yeah, it's been a huge help, especially with course management and the little things you might not normally think about. Until you really start thinking about them. They've been great.

**Q. Any of those mental learnings that stuck with you, specifically?**

Mawhinney: A lot of help with being strategic in terms of what pins to go after, how far I should stay away from a pin. Just a bunch of stuff like that.

**Q. Any relation to Bill Mawhinney? Fellow Canadian Amateur champion?**

Mawhinney: I am not related to him.
