Mia Clausen

Q. Three-under today, what was going well out there, and walk me through your round.

Clausen: Props to my caddie, just keeping me calm. The fairways are wide here, so just trying to knock some close and not do anything too crazy and just make a few putts. It was a solid round.

Q. You played in this two years ago when you were 12 years old. How did that experience help you prepare for this year?

Clausen: Just playing it before gave me an idea of what this tournament would be like. I feel a little more experienced now, and I have a lot of friends here, so it has just been fun to be out here. It is just a great course, and everything about the event has been so great.

Q. What are you looking forward to for the rest of the tournament?

Clausen: I am really looking forward to more of the food! It's so good. If I made it to match play that would be great because I haven't had much match play experience, so that would be fun.

Q. What does it mean to you to be playing in a USGA Championship?

Clausen 4: The USGA just makes everything so special. Playing this course has been amazing, and it's just been a really fun experience for me.
