Nikki Oh

Q. 3-under today, things seemed to go well – can you walk me through the round and what was working for you today?

Oh: I feel like in the beginning I didn't hit the best tee shots, but I made up for it with my putter. And then on the back nine, the putter just got hot – I gave myself a lot of looks, so I'm really happy with the back nine.

Q. Did you make any long putts?

Oh: I did make one on [No.] 3, the par 3. But the back nine was more just me hitting it tight and then just converting.

Q. How do you feel the last two U.S. Girls' Juniors helped you prepare for this week?

Oh: Just the experience. Knowing that I can compete against the best juniors and having that USGA experience is really helpful.

Q. What are you looking forward to this week?

Oh: Hopefully just finishing out another good stroke play round tomorrow and then advancing far in match play.

Q. Thoughts on the course?

Oh: I think it's amazing. I think it suits my game really well, and it's also in perfect condition, so that helps.

Q. How do you feel your experience with the U.S. National Junior Team helped prepare for this week? Having played here at AAC during your first camp?

Oh: Oh yeah, we came here last spring, and we played the same tee boxes that we're playing this week, so it's really helpful. It was like another practice round. Just coming into the week knowing that I've played the course already is just really helpful. Knowing the layout of the course, what clubs I need to practice – all really helped a lot.
