Rachel Lee

Q. 2-under today, just one bogey on the card. Can you walk through the round and what was working?

Lee: I had a great caddie on the bag, he's a member here – Kyle [Esmonde]. He taught me the way around the course, and I just really stuck to my own game, gave myself chances out there, holed a few, and didn't really make any mistakes.

Q. This is your first USGA championship, how memorable is that for you and what does that experience mean to you?

Lee: It's a great experience to play in America. There's six of us Aussie girls staying together, which is really interesting. It's nice actually, staying as a team. Being able to play at this wonderful course, it's really nice.

Q. What's been your impression of the golf course?

Lee: Oh it's surely in the top 10 of my favorites. The greens are pure – I mean, obviously, this is a really special course, hosting major events and everything, it's pretty cool.

Q. What are you looking forward to this week?

Lee: Honestly, I'm really looking forward to trying some fast food in America.

Q. Anything in particular?

Lee: We actually tried Wingstop. That was pretty cool, but I want to try the different flavors. But yeah, I just really want to play with other players, meeting new friends and everything.
