Grace Carter

Q. 4-under today, 6-under for the championship and clubhouse leader. Walk me through the round.

Carter: I just kept putting myself in good positions, just fairways and greens, staying patient with my putts, and when they fell they fell.

Q. Walk me through a few of your birdie holes – were you hitting your approaches close or making some long putts?

Carter: A little bit of both. I made some long putts, and I made one short putt.

Q. Walk me through a few of your birdie holes – were you hitting your approaches close or making some long putts?

Carter: A little bit of both. I made some long putts, and I made one short putt.

Q. Do you remember which holes and how long those putts might have been?

Carter: Well on No. 17 I chipped in, but I don't remember the rest exactly.

Q. How does it feel to come out and put together those two rounds in your first Girls' Junior, bogey free today?

Carter: It's really exciting, I'm just trying to enjoy myself this week, acting like it's just another tournament. Staying patient with myself.

Q. How did you prepare for the championship?

Carter: I putted a lot. I've been working on my lag putting... just a lot of putting.

Q. The greens are pretty tough here, do you feel like that's paid off?

Carter: Yes and yes.

Q. Any specific goals or expectations coming into the week?

Carter: Just trying to stay patient with myself, hit as many fairways and greens as I can, I can play pretty well.

Q. What's been your impression of the golf course?

Carter: It's really nice. The greens are so smooth, there's lots of break – it's different than a normal Georgia course. It's really cool, I like it a lot.

Q. Anything specifically that you're looking forward to this week?

Carter: Just being a part of the tournament and having this experience is really cool, and I think it's going to help my game a lot.

Q. How comfortable are you in match play, have you played that format before?

Carter: I have not, I've only played that format during my club championship. It'll probably be a little different, but we'll see. I think it'll be fun, and different. Something new.
