Q. Take me through your round and what worked well today?

Sriwong: I felt good today, much better than yesterday. I think the weather was better going off in the morning today and I was able to play better golf.

Q: What were your expectations and goals for the week?

Sriwong: I am expecting the compete for the top of the leaderboard and just taking it one day at a time. Let's see what tomorrow will bring!

Q: What are your impressions of the course and how has the weather impacted conditions?

Sriwong: The course is great, the biggest factor has been the heat. It was much nicer starting in the morning vs the afternoon.

Q: Looking forward to match play starting tomorrow, what's your mindset for the next couple of days?

Sriwong: I'm going to keep playing my game and hopefully be here until the last day.
