Q. Great win today, can you walk me through the match?

Lee: Definitely trying to go for more pins out there today, but still trying to focus on my game, beat the course as usual. It was really nice to play with Maddie today, always something new to learn off of your playing partners. Yeah, it was just a great day out there.

Q. It's your first Girls' Junior, can you talk about the experience this week, advancing to the Round of 32?

Lee: It's such a great experience. I'm playing at a really good golf course, and yeah, meeting new players, playing overseas, it's always a good challenge. Getting used to jet lag and everything. Yeah, it's been really nice.

Q. What are some of your goals or expectations this week?

Lee: I'm just trying to take it step by step, not rushing myself. Just trying to get through the next match, thinking about what's in front of me.

Q. We heard about your interest in American fast food, how has that been going this week?

Lee: We actually tried chipotle yesterday, and that was very good. I don't know if we'll try any other fast food, since we have a tournament tomorrow, but who knows, maybe I have to brag about it to my manager. We'll see.
