Q. Large margin of victory, can you walk me through the match?

Ly: I birdied my first hole, so that really gave me momentum for the following. My ball striking wasn't as good as I hoped, but my putting really saved me.

Q. First time playing in the U.S. Girls' Junior, can you talk about the experience so far?

Ly: It's such a great experience, because I'll be going off to college next year, so this will probably be my last time playing. It's really great to see how the U.S. Girls' [Junior] is compared to the [U.S. Women's Amateur] Four-Ball and the Women's Amateur.

Q. What are your impressions of the course?

Ly: It's super pure. The greens are pretty tricky, just because of how the grain is. It's super different from California. But overall, it's a really nice course.

Q. Any expectations or major goals this week?

Ly: Not really, just sticking to my gameplan, just taking one shot at a time, and hopefully see how it turns out.
