Grace Carter

Q. After stroke play and coming in as the top seed, talk me through your game plan for the day and how you executed it.

Carter: I knew I was playing pretty well coming into today. I was hitting my shots pretty well. My game plan was basically hitting as many fairways and greens as possible while being patient with my putts and waiting for my game to come.

Q. Looking at the match it was pretty tight coming to hole No.9, where you went 2 up. Did you feel yourself pick up some momentum there?

Carter: Eight and nine are pretty tough holes. I knew if I hit the green on eight, I would have a pretty good chance because she hit the bunker, so I knew if I hit those greens I'd have a pretty good chance of winning those two holes.

Q. Continuing through the week, what are you seeing from this course, how's it playing and what adjustments are you making?

Carter: This course is pretty challenging. The greens are undulated, which is different from Florida, where I'm from. So, I've been trying to learn to adjust to the slope on the greens and the speeds this week.

Q. Looking ahead, how do you plan to approach tomorrow?

Carter: It's exciting. I think I'm just going to go with the same game plan I had coming here. Just wanting to hit as many fairways and greens and being patient. If I do that, I think I'll do pretty well.
