Q. Talk about the feeling today, getting to hit the first ball just twenty minutes away from home. What did that mean to you?

Sovero: “It was special. I was glad I didn’t top it so, pumped that it ended up down the middle so it was a great experience.”

Q. Is that something you thought about heading into this championship?

Sovero: “No I was kind of surprised by it. Once I heard though, I did prepare for it.”

Q: Playing in the U.S. Senior Amateur, teeing it up with so many great players, what does it mean to you to be here this week?

Sovero: “It’s exciting. It’s something you work hard for, to be able to come here and challenge yourself with these players. It’s a privilege.”

Q: One of four players in the field from Maryland, how does it feel representing your state here at Baltimore Country Club?

Sovero: “It’s awesome, no better way to represent your state than playing in this championship.”
